V. New Business

Welcome to the new UGC members Daniel Lee, College of Health Professions, and Maike Philipsen, School of Education.

VI. Chair's Report

Changes to UGC have been sent via email to the graduate faculty for voting. Graduate faculty members have until Wednesday, September 22, 2021 to vote on the proposed changes. In preparation for the removal of Programs & Courses sub-committee, UGC needs to decide as a group, what curriculum and course items the group would like to see on the agenda as an Action Item for discussion at meetings. Additionally, the Chair noted that discussion usually does not occur during many of the curriculum Action Items.

Meeting adjourned: at 3:55pm.
