Course deletion
School of Medicine
PHIS 506 Mammalian Physiology

Lecture/lab/credit hour change
School of Medicine
EPID 593 MPH Practicum - Change from 1 for 1 credit to 1-2 for 1-2 credits

School of Education
TEDU 672 Internship I: Early Elementary Education – change from 5 credits to 4 credits

Course title change
College of Humanities & Sciences
NANO 570 Foundations of Nanoscience and Nanotechnology I
  Change title to: Nanoscale Physics
NANO 571 Foundations of Nanoscience and Nanotechnology II
  Change title to: Nanoscale Chemistry

Prerequisite changes
School of Allied Health Professions
HADM 610 Health Care Management Decision Support Systems
  Change prerequisite to: Undergraduate course in statistics
HADM 612 Information Systems for Health Care Management
  Change prerequisite to: HADM 609 and 610 or permission of instructor
HADM 624 Health Economics
  Change prerequisite to: Undergraduate intermediate course in microeconomics
HADM 647 Management of Health Care Organizations
  Change prerequisite to: HADM 646
HADM 648 Strategic Management in Health Care Organizations
  Change prerequisite to: HADM 647
HADM 661 Physician Practice Management
  Change prerequisite to: Permission of instructor
HADM 682 Executive Skills I
  Change prerequisite to: None

School of Education
ADLT 606 Design and Delivery of Adult Learning Programs – remove ADLT 601 from the prerequisite
ADLT 610 Consulting Skills in Adult Learning Environments – remove ADLT 601 from the prerequisite
ADLT 612 Learning in Groups and Teams – remove ADLT 601 from the prerequisite
ADLT 623 Organizational Learning – remove ADLT 620 from the prerequisite
ADLT 625 Change Strategies for HRD Practitioners - remove ADLT 620 from the prerequisite

Multiple changes
College of Humanities & Sciences
MATH 507 Analysis I
  Change title to: Bridge to Modern Analysis
  Description change
  Prerequisite change
MATH 508 Analysis II
  Description change
  Prerequisite change
School of Business
BUSN 701 Research Methods in Business
  Change title to: Research Design in Business
  Description change
  Prerequisite change to: Admission to Ph.D. program and MGMT 524 or equivalent

School of Education
SEDP 601 Methods I: Teaching Students in Special Education – General Education (Elementary)
  Description change
  Change title to: Methods I: Teaching Students in Special Education – General Education
SEDP 602 Methods II: Teaching Students in Special Education – General Education (Secondary)
  Description change
  Change title to: Methods II: Teaching Students in Special Education – General Education

School of Medicine
MICR 512 Laboratory Safety
  Change prefix to: IBMS
  Change number to: 600

Revised bulletin copy
School of Education
Revised bulletin copy for the certificate in Disability Leadership
HEMS 522 Teaching Elementary Health and Physical Education – restrict the course to students in General Health and Physical Education who have been admitted to Teacher Preparation.
HEMS 523 Teaching Health Education - -- restrict the course to students in General Health and Physical Education who have been admitted to Teacher Preparation.

Other
School of Business
Masters of Taxation – suspension of admissions

D. Committee on Policies and Procedures
Dr. Rosemary Farmer stated that the committee received no feedback on the proposed changes to policies and procedures which are up for voting under Action Items. There was one retired faculty member who gave feedback on items not currently being voted on. The committee will start reviewing those suggestions at their fall 2011 meeting.

III. Action Items
Recommended changes from Policies and Procedures Committee – The Council voted and approved the recommended changes.

New program
School of Engineering - APPROVED
PhD. Mechanical and Nuclear Engineering
Program and course changes
School of the Arts - APPROVED
Revised bulletin copy
DESI 511 Studio in Digital Design and Fabrication Technology – new course
DESI 512 Studio in Visual Communications – new course
DESI 521 Design Research Applications – course deletion
DESI 601 Interdisciplinary Design Seminar - description change
DESI 602 Advanced Design Seminar: Design Criticism – course deletion
DESI 620 Design Research Studio: Thesis Formulation
  Change title to: Design Thesis Research and Formulation
  Description change
DESI 692 Interdisciplinary Design Research/Individual Study – grading change from P/F to A/B/C/D/F
