I. Committee Reports
   A. Committee on Admissions and Academic Standards
      Dr. Laurie Carter reported that the Committee has heard several appeals of termination this semester.

   B. Committee on Internal Review
      No report.

   C. Committee on Policies and Procedures
      Drs. Rosemary Farmer and Sherry Sandkam presented multiple recommendations to the bulletin for the Council to discuss and review. Item number 3 was tabled at the start of the meeting. The recommendations are to be taken back to the departments for discussion and will be voted on at the May UGC meeting.

   D. Committee on Programs and Courses
      Dr. Angela Starkweather presented the following report.

      Multiple changes
      College of Humanities & Sciences
      MATH 607 Analysis I (PC 2014-0225-30; effective fall 2014)
         Change title to: Measure and Integration Theory
         Description change
      MATH 615 Topics in Numerical Analysis (PC 2014-0225-29; effective fall 2014)
         Change title to: Numerical Analysis
         Description change
         Prerequisite change
      MATH 732 Ordinary Differential Equations II (PC 2014-0225-26; effective fall 2014)
         Change title to: Ordinary Differential Equations III
         Description change
      School of Medicine
      HGEN 605 Experimental Methods in Human Genetics (PC 2014-0225-21; effective fall 2014)
